Background

Company was established primarily to provide solutions that address the challenge of service delivery and stagnant economic growth in South Africa and the rest Africa.

In South Africa, this goal is achieved by Unlocking opportunities in the National Development Plan (NDP) and the Integrated Resource Planning (IRP).

Unlocking of these opportunities is done through facilitation with all key stakeholders thus paving the way for International Investment in high impact infrastructure projects.

Our core strategy is to ensure implementation

公司简介

Company was established primarily to provide solutions that address the challenge of service delivery and stagnant economic growth in South Africa and the rest Africa.

In South Africa, this goal is achieved by Unlocking opportunities in the National Development Plan (NDP) and the Integrated Resource Planning (IRP).

Unlocking of these opportunities is done through facilitation with all key stakeholders thus paving the way for International Investment in high impact infrastructure projects.
